# **How to Search for a Word or Name**

*Note: The following instructions will not work if you are viewing this file in your Web browser. If you wish to search for a specific word or name, you'll need to go back to the webpage about the resource center, find the link you originally clicked on, right-click it, and choose "save as." Then save this file to your computer and open it from there.*

**The list is sorted by the categories on the previous page.**

**To search the list for a certain word or name, press Ctrl + F on your keyboard.**

**A search box will pop up in the upper right-hand corner.**

**Type in the word or name you want to search for (such as "Bible" or "Chesterton"), and press "enter."**

**Note: the search will only find exact matches for what you type in, so for best results, try only one word at a time.**
